PASTOR'S CORNER

Again this year our U.S. Bishops are encouraging us to observe "A Fortnight for Freedom". You might well ask, "What are the issues that the Bishops are concerned about?" Consider the following:

- HHS mandate for contraception, sterilization, and abortion-inducing drugs. The mandate of the Department of Health and Human Services forces religious institutions to facilitate and/or fund a product contrary to their own moral teaching. Further, the federal government tries to define which religious institutions are "religious enough" to merit protection of their religious liberty.
- Catholic foster care and adoption services. Boston, San Francisco, the District of Columbia, and the State of Illinois have driven local Catholic Charities out of the business of providing adoption or foster care services by revoking their licenses, by ending their government contracts, or both—because those Charities refused to place children with same-sex couples or unmarried opposite-sex couples who cohabit.
- State immigration laws. Several states have recently passed laws that forbid what they deem as "harboring" of undocumented immigrants—and what the Church deems Christian charity and pastoral care to these immigrants.
- Discrimination against small church congregations. New York City adopted a policy that barred the Bronx Household of Faith and other churches from renting public schools on weekends for worship services, even though non-religious groups could rent the same schools for many other uses. Litigation in this case continues
- Discrimination against Catholic humanitarian services. After years of excellent performance by the U.S. Conference of Catholic Bishops' Migration and Refugee Services (MRS) in administering contract services for victims of human trafficking, the federal government changed its contract specifications to require MRS to provide or refer for contraceptive and abortion services in violation of Catholic teaching.
- Christian students on campus. In its over-100-year
 history, the University of California Hastings College of
 Law has denied student organization status to only one
 group, the Christian Legal Society, because it required
 its leaders to be Christian and to abstain from sexual
 activity outside of marriage.

Is our most cherished freedom truly under threat? Yes, Pope Benedict XVI recognized in 2012 that various attempts to limit the freedom of religion in the U.S. are particularly concerning. The threat to religious freedom is larger than any single case or issue and has its roots in secularism in our culture. The Holy Father has asked for the laity to have courage to counter secularism that would "delegitimize the Church's participation in public debate about the issues which are determining the future of American society."

Project update: Work has begun on painting our Dayton Street house.

VOCATION VIEWS:

Both Peter and Paul saw dramatic changes in their life because of an encounter with the Living Christ. He still invites us to this same encounter, as long as our eyes are open to receive Him!

Glory in his holy name; rejoice, O hearts that seek the LORD!

In the second collection today, we are supporting the Holy Father in his charitable works. The

Peter's Pence Collection is taken up worldwide to support the most disadvantaged: victims of war, oppression, and natural disasters. This is an opportunity to join with our Holy Father, Pope Francis, and be a witness of charity to our suffering brothers and sisters. Please be generous in today's collection.

SAN PEDRO Y SAN PABLO, APOSTOLES

LEER: Hechos 12:1-11; Salmo 33: 2-9; 2 Timoteo 4:6-8. 17-18; Mateo 16:13-19.

¡San Pedro y San Pablo!

Ellos fueros los pilares principales de la evangelización en la Iglesia primitiva. Ambos proclamaron el Evangelio de la salvación y ambos trabajaron para establecer iglesias locales. Lo mas importante fue que los dos se dedicaron de corazón a trabajar en la formación espiritual del Cuerpo de Cristo. Y lo hicieron en medio de una fuerte persecución, en una época en que las autoridades paganas rechazaban el cristianismo.

El Señor le había dicho a Pedro que los poderes de la muerte no prevalecerían contra la Iglesia (Mateo 16:18), cosa que indudablemente ha resultado cierta, porque ninguna fuerza, por muy anticristiana o perversa que sea, ha podido destruir la Iglesia fundada por Cristo. Lo lamentable es que, en algunos casos, la Iglesia misma se debilita desde su interior cuando sus propios miembros desconocen las verdades del Evangelio. La Iglesia tiene el encargo de ser la presencia de Cristo en el mundo y los creyentes estamos llamados a ser el Cuerpo de Cristo; esto lo hacemos proclamando el Evangelio y viviendo santamente.

Oremos para que el Señor nos conceda valentía y claridad de mente para imitar a san Pedro y san Pablo, y así ayudemos a edificar su Cuerpo en la tierra.

ORACION:

"Dios nuestro, que quisiste confiar a tus santos apóstoles Pedro y Pablo la misión de guiar y proteger los primeros pasos de tu Iglesia, concédenos, por su poderosa intercesión, la ayuda necesaria para alcanzar nuestra salvación eterna"
